BE A PART OF THE  
**LEGACY**

Jesus is building His Church, and He is using every one of us. While we've accomplished so much together, God is giving us more vision and opportunities than ever before. As we continue to build God's Kingdom, you have the opportunity to help share the love of Jesus with even more people in our community, our state, our nation and our world.

## PRAY

Pray that God would maximize our local, national and international efforts to reach as many people as possible so that their lives would be changed forever by the love of Jesus.

## GIVE

Give as God leads you. This isn't about investing in what we are already doing, but in what we could do. Ask God what He wants you to give and then do what he shows you.

## GO

Be the hands and feet of Jesus by serving through an OUTREACH, the DREAM TEAM, a MISSIONS TRIP, and by living daily with an attitude of generosity towards others.
